Section 3. Candidates become members when inducted at a special ceremony.

Section 5. Members who resign or are dismissed are never again eligible for membership or its benefits.

Article XIV: Activities

Section 1. Each chapter shall determine one or more [school] service projects for each year.

Section 2. All members shall regularly participate in these projects.

Section 4. Each member shall have the responsibility for choosing and participating in an individual service project that reflects his or her particular talents or interests. This is in addition to the chapter projects to which all chapter members contribute.
