

BE A HERO – SAVE A LIFE!

The High Springs FFA Chapter is hosting a CPR Training Event on Sunday, February 23, 2014 from 2 PM – 4 PM in the School Gym at High Springs Community School. During this event you will learn adult/child/infant CPR, adult/child/infant choking emergency assistance, and how to operate an Automated External Defibrillator (AED) device. This event is open to the public and open to participants of all age levels. No American Heart Association course completion card is issued for this course. The training will be provided by the HeartSafe City Foundation. The cost for the course is \$10/person. All proceeds will help support the fundraising efforts of the HSCS FFA Chapter and HeartSafe City's mission to place an AED into the community. You can register on-line at www.HeartSafeSchool.com. Click on the HeartSafe Schools tab and then click on the Register tab. You can also pick up registration forms at the front office at High Springs Community School. For further information about this event please call 352-870-9646.
