

Parental Opt Out Form Availability of Condoms in High School Clinics

In an effort to balance concerns related to both student health and parental involvement, Alachua County Public Schools is adopting a parental ‘opt out’ procedure regarding the availability of condoms in Alachua County’s public high school clinics. Under this procedure, parents may submit this form to their child’s high school if they **do not** want their child to obtain condoms in the clinic.

After filling out this form, please sign and submit by email attachment, fax or in person to your child’s school. Email addresses and fax numbers for each school are provided below.

This form is also available for electronic submission through the district’s website at www.sbac.edu at the ‘Parental Opt-Out Information’ link under ‘District Notices.’

***** If you have previously submitted an opt-out form for your student(s), you do not need to submit a new form. However, if your child has moved to a new high school since the 2014-15 school year, you will need to submit a new form to your child’s current school.**
