

LEVIDA TILESTON

JUNIOR VARSITY CHEER COACH
SANTA FE HIGH SCHOOL

EXPERIENCE AND COACHING STYLE

Hello! First I want to thank you for your interest in being a SANTA FE HIGH SCHOOL CHEERLEADER!

This will be my 3rd year as the Cheer Coach at Santa Fe, and my 16th year coaching cheerleading. I can't tell you how excited I am to coach again this year.

As a cheer coach, I have high expectations for your child as well as the SFHS Cheer Squad. First and foremost, I expect ALL cheerleaders to maintain good grades and good conduct on and off the field and in the classroom at all times. I expect POSITIVE attitudes and 100% effort. I believe that working hard and giving it your all will show in your performance during games and in everyday life.

I know that Cheerleading can be expensive, but I want to assure you that I will work with you and give you as many fundraising opportunities that I can. Every expense that we have is for the benefit of your child and the SFHS Cheer squad. We will make every effort to choose a cheer camp that will be helpful and fun and camp clothes will be chosen with school dress code in mind so that they will be able to continue to wear them.
