

Alachua County Public Schools
Head Start Program

Head Start Application Status

Child's Name: _____ Date: _____

Dear Parent or Guardian:

- The School / Center is full at this time. Your child has been placed on the waiting list. Children on the waitlist will be considered for enrollment as space becomes available throughout the year.
- Your child is not eligible to attend Head Start at this date because your family's income is higher than the poverty guidelines established by the federal government. If you have an extenuating hardship, your situation has changed, or your child has a disability, please contact us for information regarding the hardship process.
- Your child is too old to attend Head Start, but should be enrolled in kindergarten. Your child is too young for enrollment this school year. You may re-apply next year.
- Your address is not in Alachua county. Please contact your local school district office for information on Head Start in your county.

Thank you for applying with the Head Start Program.

For further information or assistance, please contact this office at 955-6875.

Sincerely,

The Alachua County Head Start/VPK Program
