**IMPORTANT
TOBACCO USE IN DISTRICT FACILITIES**

The School Board of Alachua County is a smoke-free workplace. The Board recognizes that tobacco products may pose a significant health risk and seeks to establish a tobacco-free workplace. Smoking and any other use of tobacco products by employees and members of the public is prohibited at all times . . .

- 1) in areas where students are present;
- 2) at all facilities, schools, centers, offices, buildings, owned or leased by the Board;
- 3) school-sponsored events; and
- 4) inside vehicles owned or leased by the Board, wherever located.

I have read and understand the above statements. A copy of School Board Policy 1215, 3215 or 4215: Tobacco-Free Environment pertaining to this information has been provided to me.
