How Title I Works?

- Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the Florida Department of Education (FLDOE).
- The FDOE allocates funds to the District.
- The District identifies eligible schools and allocates Title I funding to those schools based on the number of Children from Low-Income Families (CLIF).
- Title I schools spend the funds allocated based on formalized School Improvement Plans approved by District and FLDOE.
- Our School implements a school-wide program.

Title I Funds Provide Supplemental Support

Our School's Title I funds provide the following supplemental support:

- Additional Personnel to support our students and teachers
- Additional classroom materials and equipment

Who decides how funds are used?
