

Hidden Oak News

Principal's Corner

Happy May, Hidden Oak families!

As you all know, the school year is pushing into June, and the last student day is June 16. End-of-year celebrations will be very different than they have been in the past, so please make sure you check with your teachers about specific grade-level plans.

Also, please be sure to remember the newest guidelines concerning masking and temperature checks that were released in late April. Important points: Masks are still required indoors (except when eating and drinking) and on buses BUT are no longer required outdoors. Also, we will no longer be conducting temperature checks unless there is a specific concern.

We are still in the middle of FSA testing and things are going well. It's so wonderful to see our Digital Academy students coming back to campus, and I can't wait for us all to be back together soon!

We will hold the School Advisory Council membership election this month, so keep an eye out for ballot information.

Wishing you all a wonderful month,
Mr. Kuhn

40-Book Challenge Benchmark #4

Hoot, hoot! Our Final Benchmark, #4, is Friday, May 21, and our goal is for each owlet to have read 40 books by that time.

May's Genre is ... Anything Goes!

According to our Book Meter, so far our students have already read 10,170 books!! Wow!

Our Book Challenge End-of-Year Celebration will be held in June, and will include every student (brick and mortar and digital academy) who met the 40-book goal. In lieu of an outdoor celebration at school, students will receive a special prize to honor their hard work. We also will showcase those students who met the challenge by recognizing them on the bulletin board next to the office. Stay tuned ... More info coming soon!

And remember, even in a global pandemic, the more you read, the better you read, so keep on reading!
