

Update: 3/11/20

Alachua County Public School families and staff:

As you may be aware, there is now a confirmed case of COVID-19 in Alachua County.

The Alachua County Health Department has informed us that based on the unique circumstances of this patient's arrival and stay in the area, the community risk is low. Therefore there is no plan to close schools as a result of this case.

Please be assured that we continue to monitor this very fluid situation and will remain in touch. If you have any questions/concerns, please feel free to contact the Health Department's Epidemiology Department at (352) 225-4181.
