RETURN TO CAMPUS 2020

Weekly News for Parents Shell Elementary School October 9-16, 2020

What's Happening @ Shell?

- **The playground is open!** Students can now enjoy the playground equipment during recess times throughout the day while still adhering to safety precautions.
- **Science Adventures!** Mr. Nelson's 5th grade classes enjoyed the outdoors and learned about the solar system by creating a human scale model.
- **Kindergarten** students took the FLKRS assessment this week. This screener provides valuable information about your child's readiness and helps our teachers develop lesson plans to meet each child's individual needs. Look for a parent report in your child's folder in the coming weeks.
- **UFLI Tutors support K-3 students!** We are so thankful to partner with the University of Florida's College of Education to provide some of our K-3 students with virtual reading tutors.

News & Information

Progress Reports were sent home with brick & mortar students and are available through Skyward Family Access for digital academy students.

If you are interested in transitioning your student back to brick & mortar, contact the school @ 352-481-1901 and we will help you make the move.
