

# Shell Elementary School

## Weekly News for Families

November 20 - December 4, 2020

We are grateful for our Shell Family! This year, more than ever, we want to express our appreciation to all Shell parents and guardians. You place your trust in us daily- to educate your child and follow best practices in safety and wellness. Our Shell families have shown patience with the cumbersome COVID19 policies and procedures, faithfully believing that we are operating in the best interest of children.

We would also like to thank you for your ongoing communication efforts! In a year where health and prevention are at the forefront, Shell parents and guardians have been wonderful about calling our school nurse and front office with questions about childhood illness, and keeping their children home when ill. It's through our combined efforts that we have been able to keep our student and employee population overwhelmingly healthy this fall.

We hope you have a wonderful Thanksgiving Break! Stay safe!

Tomorrow is never  
promised so today  
I want all my  
friends and family to know  
how thankful I am  
for each and every one of you  
and how lucky I am  
that you are a part of my  
life.
