

# Shell Elementary School

Weekly News for Families

January 22-29, 2021

Do you have a child that is turning four years old on or before September 1, 2021 and is zoned for Shell Elementary School? We just received confirmation that we will be hosting a VPK blended program beginning the Fall of 2021. This will be a full day, free of charge program on Shell Elementary campus. This program **IS NOT** income contingent. We are very excited! There is a cap on the number of students we can accept, and we are starting a waiting list now.

Please call (352) 481-1901 or email Holly Burton at [burtonha@gm.sbac.edu](mailto:burtonha@gm.sbac.edu) if you have questions or would like more information.

## Happy Birthday!

Jaime Smith 1/29

Amy Robertson 1/31

Seth Harrington 1/31
