Valentine's Day Celebrations and the 100th Day of School

Wow! The 100th Day of school is this Friday and Valentine's Day on Sunday. It's an Elementary School Double Header! Classes may have small celebrations for these occasions and parents may send in treats. The key is that all treats MUST be store bought and individually wrapped. Please check with your child's teacher before sending in goodies to see what is needed or requested. Thank you!

Week of 2/8

We are sorry we are late! We will be sending the 2nd nine weeks awards assembly information to parents via Skylert messaging by the end of this week.

Spring Break

Please help your children remember to wear closed toed shoes to school. Since children play at recess daily, and PE class each week, closed toed shoes are required for student safety. Thank you!

Shell Elementary is proud to serve the local community by hosting a Food Pantry supported by the Bread of the Mighty Food Bank. Please call our school's front office at 352-481-1901 if you would like to schedule a time to visit the pantry.
