Graduation

Mr. Sheppard discussed the upcoming Graduation. Newberry High School will be graduating on May 27, 2022 @ 8pm at the O'Connell Center in Gainesville. At this time, there will be no restrictions on guests or seating. The Valedictorian of the class of 2022 is Grace Mitchell and the Salutatorian is Elora Kennard. Mrs. Donna Jones will be our guest speaker for the evening.

Budget

Mr. Sheppard reviewed the budget below. He discussed the successful year with our first Cambridge class, AICE-general papers, and the hopes of a high passing percentage for all. The class was offered to all seniors this year. He informed the members of additional Cambridge classes that Newberry High School has been approved for and the costs associated with that for the upcoming 22-23 school year. Mr. Sheppard also discussed the need for Site Tech hours over the summer to image all computers and prepare for next school year. He would also like to retain at least 1 teacher for the lowest quartile and 10 teachers for ELA and Math to analyze the new state requirements and changes. Mr. Keys noted a correction in total amount of funds balance. Should have been \$12924.71 instead of \$24798.76. All other amounts were correct. Mr. Keys motioned to approve the budget below (with the correction); approved by Ms. Steele and second by Mrs. Woodcock. The motion carried and the proposed budget was approved.

Individual concerns/comments:

Mrs. Strappy wanted more information regarding the Cambridge program that is being offered at NHS. Mr. Sheppard stated that the goal was to become a full Cambridge school but we have to start slow. I hope that we can continue to offer more classes each school year. We will have three Cambridge classes available for the 22-23 school year, and hopefully will continue to increase the options.

Mrs. Strappy asked how or when we will get our budget for next year, and if we can start allocating any of those funds earlier. Mr. Sheppard explained that our budget is dependent upon our enrollment numbers. We will not get new funds until late in the summer. However, remaining SAC funds will roll over into the next school year.

Mr. Sheppard asked if zoom meetings worked better for everyone or if they would rather meet in person. Majority agreed that zoom meetings work well for all and we will continue to hold SAC meetings via zoom for the 22-23 school year. As soon as we have dates finalized, we will send out an email with tentative scheduled meetings.

Mr. Keys thanked everyone for their service and support this year and looks forward to a productive and exciting 22-23 school year.

Adjourn
