

Away Procedures for Boy's Basketball

1. Be sure you know when your transportation leaves.
2. All players ride together with provided transportation.
3. You will have your parents pick you up from games. You will inform the coach before you leave. You may not ride home with anyone other than your parent unless the coaches are notified by a parent.
4. While traveling to games you will wear a seatbelt and act appropriately. No calling out of windows. Normal voices are required.
5. Do not leave your bags in the cars you ride in unless it is your parent's vehicle.
6. Players are expected to make sure the equipment is with us before we leave for games. We have a lot of stuff to bring in order to be successful.
7. Each team member will be responsible for supplying snacks and drinks for the team during one game.
8. We DO NOT leave our trash in an opponent's locker rooms or on the bench. We leave the area cleaner than we found it!!!
9. Your behavior and attitude should at all times reflect the highest character and class. It is expected!!! Do NOT leave the immediate area and use the buddy system while using the bathrooms. Let your parents know approximately when our game will be finished so they will be available to pick you up without making your coaches have to wait.
10. Double-check to be sure that you have all parts of your uniform and personal equipment BEFORE you leave any campus!!!
