We are a PBIS School!

This means we reward students for showing our school wide behavior expectations. Students receive Raider Cash to use in our school store to buy snacks or small prizes. If you are able, we are accepting donations of snacks and drinks to stock our store all year long. Please feel free to drop off donations to our guidance office. Food tends to be the biggest request from students, but also the one thing we aren't allowed to use school funds or grant money to purchase. Our school store is open everyday before school in the media center.

We expect our students to demonstrate **PRIDE** at Santa Fe High School!
