Alachua County Public Schools, 620 E. University Avenue, Gainesville, FL 32601
Exceptional Student Education

Hospital/Homebound Medical Certificate: Physical/Psychiatric Condition

Florida State Board of Education Rule 6A-6.03020, F.A.C., requires an annual medical statement/report from a licensed physician in order for the student to be considered for the Hospital/Homebound program. A licensed physician is one who is qualified to assess the student's physical or psychiatric condition. In order for Alachua County Public Schools to receive this information, a release of information is required.

Section I: Release of Information – to be completed by the parent/guardian

Student Name			Date of Birth		Date of Request
Grade	School	Parent Name		E-Mail Address	
Address		City	Zip Code	Phone #	Alternate #

I hereby authorize the physician(s) to release all information concerning diagnoses, treatment plan, and medical implication for instruction and re-entry to Alachua County Public School. This release will remain in effect until the student has been dismissed from the Hospital/Homebound Program. ***Must be signed by parent/guardian or student at the age of majority.***

Parent /Guardian Signature: _____

Section II: Physician/Psychiatrist Contact Information- to be completed by parent/guardian

Parent is to complete sections 1 and 2 and bring to Physician/Psychiatrist office in order for Medical Certificate to be completed. Physician Psychiatrist's office will complete Sections III and IV, Email to ESEhospitalhomebound@gm.sbac.edu The Hospital/Homebound Office will contact parent within two business days of receiving Medical Certificate.

Section III: Medical Certificate – to be completed by a Florida Licensed Physician/Psychiatrist

Completion of this form is required as part of the eligibility process and does not guarantee placement in the Hospital/Homebound Program. Failure to complete this form in its entirety and return it in a timely manner may result in delay of eligibility determination.

Please note that Hospital/Homebound Services (HHB) do not duplicate the comprehensive classroom experience. The intention of HHB is to keep the students as current as possible in their required courses, with the priority being the student's health care needs. HHB services should be viewed as a temporary intervention and is not intended to replace the classroom experience.

Onset Date:	**Date Last Seen by Physician/Psychiatrist:**	**Expected School Return Date** (mandatory)

Medical Condition: *Describe the condition(s) which confines the student to home or hospital. Attach additional documentation if necessary.
