Mission Statement: We are committed to the success of every student!

August 2023

Dear Family:

We would like to welcome you and your child to the Title I Schoolwide Program. Title I is the largest federal program in the United States, which offers assistance to education. Alachua County Public Schools uses its funds to provide supplemental instructional support for students who attend schools that qualify for Title I funding.

The School Board of Alachua County recognizes that a child's education is a responsibility shared by the school and family. To support the goal to educate all students effectively, the school and family must work in close collaboration with one another. We look forward to seeing you at meetings, workshops, conferences, and activities planned for this year.

Families may request information by contacting the principal of the school or the Title I District Office regarding the professional qualifications of the student's classroom teachers including:

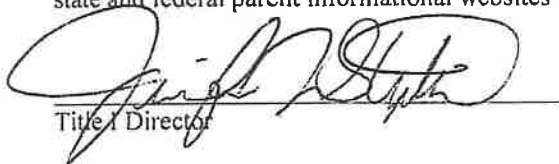

- (a) whether a teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- (b) whether the teacher is teaching under emergency or other provisional status through which State qualification of licensing criteria have been waived;
- (c) the baccalaureate degree major of the teacher and other graduate degree major or certification held by the teacher, and the field of discipline of the certification or degree; and
- (d) whether the child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that families may request as outlined above, a school that receives Title I funds shall provide to each individual family:

- (a) information on the level of achievement of the child in each of the State academic assessments; and
- (b) timely notice that the child has been assigned, or has been taught for four or more consecutive weeks by a teacher who is not state certified.

I understand that by signing and returning this letter, I have received and reviewed this Parent's Rights letter, the School Parent & Family Engagement Plan, and the Home-School Compact.

I also received information on how to access the District Parent Family Engagement Plan, Title I Complaint Procedure, and local, state and federal parent informational websites via <https://www.sbac.edu/title1>.

Estimada Familia:

Deseamos darle la bienvenida a usted y a su hijo al Programa Título I. El Título I es el programa federal más extenso de los Estados Unidos que ofrece asistencia en la educación. Las Escuelas Públicas del Condado de Alachua utilizan sus fondos para brindar apoyo educativo complementario a los estudiantes que asisten a escuelas que califican para recibir fondos del Título I.

La Junta Escolar del Condado de Alachua reconoce que la educación de un niño es una responsabilidad compartida por la escuela y la familia. Para apoyar la meta de educar a todos los estudiantes de manera efectiva, la escuela y la familia deben trabajar en una estrecha colaboración entre sí. Esperamos verlos en las reuniones, talleres, conferencias y actividades planificadas para este año.

Las familias pueden solicitar información comunicándose con el director de la escuela o la Oficina de Título I del distrito con respecto a las calificaciones profesionales de los maestros del salón de clases del estudiante, incluyendo:

- (a) si un maestro ha cumplido con los criterios estatales de calificación y licencia para los niveles de grado y las materias en las que el maestro brinda instrucción;
- (b) si el maestro está enseñando bajo estado de emergencia u otro estado provisional a través del cual se le ha eximido de la calificación estatal de criterios de licencia;
- (c) la especialidad de la licenciatura del maestro y otra especialidad de posgrado o certificación que posea el maestro, y el campo de disciplina de la certificación o título; y
- (d) si el niño recibe servicios de paraprofesionales, y de ser así, las calificaciones de éstos.

Además de la información que las familias pueden solicitar como se describe anteriormente, una escuela que recibe fondos del Título I deberá proporcionar a cada familia individual:

- (a) información sobre el nivel de logro del niño en cada una de las evaluaciones académicas estatales; y
- (b) aviso oportuno de que el niño ha sido asignado o ha sido instruido durante cuatro o más semanas consecutivas por un maestro que no está certificado por el estado.

Entiendo que al firmar y devolver esta carta, he recibido y revisado esta carta de Derechos de los padres, el Plan de participación de padres y familias de la escuela y el Pacto entre la escuela y el hogar.

También recibí información sobre cómo acceder al Plan de Participación de Padres y Familias del Distrito, el Procedimiento de Querrelas del Título I y sitios web informativos locales, estatales y federales para padres, <https://www.sbac.edu/title1>.

Dear Parent,

We are pleased to have your child here at Glen Springs Elementary and are looking forward to a great school year. Mrs. Carey is an excellent teacher who is very qualified to work with all of our students.

This letter is to inform you that your child is being taught all subjects by Mrs. Carey. Anytime there is a student who qualified as an English Speaker of Other Languages (ESOL), it is required that teachers pursue a 300 hour ESOL endorsement. This regulation is in place to help meet the needs of students who are eligible for ESOL services. At this time, Mrs. Carey, along with many other teachers, is working to earn the necessary points toward the ESOL certification. At this time she is considered to be out of field in ESOL.

By law, parents must be notified anytime a teacher is teaching out of field (i.e. teaching in an area outside of their certification area).
