## COACHING STYLE

I am tough on my teams! I expect greatness from them both during cheerleading events and also in their classes. This is why I am requiring all girls to attain 6 teacher evaluations. Their behavior in class is just as important as their behavior with me. I expect positive attitudes and 100% effort from them at all times. Struggling in things is a given, but I will not allow them to give up on themselves or their education.

## EXPERIENCE

### COACHING EXPERIENCE

- Once I graduated high school, I coached a competitive squad called the Mustangs for two years. I coached both their mini (baby team) and their Varsity Level 3 Squads. They won district championships and many other first place awards! I then taught "acro" (tumbling) to a dance team at Backstage Dance Company in Knoxville, TN for the next 3 years. The girls I taught won several awards in the contortion categories from top 5 all the way up to first place. Last year, was my first year as the Head Coach for the Santa Fe Raiders and I loved every second of it! I look forward to this year!

### PERSONAL CHEERLEADING EXPERIENCE

- I am very passionate about cheerleading and find it one of those sports that is often misunderstood. I was born and raised in Knoxville, TN, where I did competitive cheerleading and gymnastics for Premier Athletics, Sharks. I competed with them for 10 years! With them, we won several national and regional championships and many more awards. Once in high school, I cheered for my high school squad at Carter High School, where we cheered our mighty Hornets on to two district and one state championship! It was amazing!

## RELEVANT CERTIFICATIONS FOR CHEERLEADING

- FIRST AID/CPR
- AMERICAN ASSOCIATION FOR CHEERLEADING COACHES AND ADMINISTRATION (AACCA)- SPIRIT SAFETY CERTIFICATION- MASTERS LEVEL
