The 25-year tradition continues on!

- The Distribution of Fliers through Peachjar: Beginning today, the district is moving to an online platform called Peachjar to distribute fliers to families. This will eliminate most of the distribution of paper fliers in classrooms. Instead, parents/guardians will be receiving district-approved fliers electronically. For more information, visit district website at www.sbac.edu/peachjar.
- Masks are no longer required: with COVID cases way, way down in our schools since the peak of the omicron surge in mid-January, the district is lifting the mask requirement for employees and visitors in schools. Anyone who wishes to wear a mask may certainly do so, but it will not be required after today. While the case numbers are much better, COVID is obviously not over, so we encourage everyone to continue taking precautions. In particular, if you are sick, please stay home, and if you have COVID symptoms, get tested! Thanks so much for all your efforts to protect students, their families and your coworkers!
