WHAT IS TITLE I?

Title I is the major component of the Elementary and Secondary Education Act (ESEA) and the largest Federal assistance program for our nation's schools.

The goal of Title I is a higher quality of education for every child.

The program serves millions of children in elementary and secondary schools each year.

HOW TITLE I WORKS?

- Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the Florida Department of Education (FLDOE).
- The FDOE allocates funds to the District.
- The District identifies eligible schools and allocates Title I funding to those schools based on the number of Children from Low-Income Families (CLIF).
- Title I schools spend the funds allocated based on formalized School Improvement Plans approved by District and FLDOE.
- Our School implements a school-wide program.

WHO DECIDES HOW FUNDS ARE USED?

- The school's leadership makes personnel and instructional decisions based on the specific needs of its student population.
- Parent input into the decision making process is encouraged through various means including:
 - ❖ School Advisory Council (SAC) composed of Parents, Community members, Teachers, Other staff that works at the school, Principal and Students (at Middle and High School)
 - ❖ Parent input meetings for the development of the Home-School Compact and the school's Parent-Family Engagement Plan
 - ❖ Input Evaluations of Parent-Family Engagement activities and trainings
