**\*\*High school students may earn credit for graduation through "approved" volunteer service. Up to one (1) full credit may be earned, one half(½) credit at a time, for each 75 hours of pre-approved volunteer service. Students may earn two one-half credits by completing 150 hours of service. Volunteer service hours may only be applied to either coursework for credit or volunteer service for Florida Bright Futures Scholars Awards, not both. A student who seeks one full credit for graduation and the volunteer service for Florida Bright Futures, must complete 225 hours of approved volunteer service activities. (ACPS policy 2575.01)**
